"Just thought I'd say to you how very happy I am with your service. I have not used ONE piece of paper in the entire registration process!!!! That thrills me as, my usual very large filing space is empty except for a few reports and I have everything I need...ALL OF THE TIME. We do all of our billing electronically and all of our clients are very happy with it. I only had to collect on \$250.00 out of my entire billing which before Jackrabbit, I had to chase 10 times that amount!"
